NOT SURE IF IT'S A PHISH? DROP US A LINE

THE TRAP: You receive an email that looks like it's an official UC Berkeley email. You are not sure if this is a phishing attempt.

YOUR DEFENSE: Forward the message to consult@berkeley.edu or call the CSS-IT Service Desk at 510-664-9000. The email can be blocked from the campus system to prevent others from falling victim to the phishing attack.
